

OEP (OPEN ENDED PROBLEM) TOPIC :- **DIGITAL ID PROOF SYSTEM ["eDocs"]**

PREPARED BY :-

ENROLLMENT NO	NAME
170090107050	DHRUVIL N.SHAH
170090107051	KENEEL C.SHAH

Digital Id Proof System will provide secure access to Government issued documents affiliated Certificates" through "eDocs." It is aimed at eliminating the use of physical documents and enables sharing of verified electronic documents across Government agencies **Digital Id Proof System's "eDocs"** will reduce the administrative overhead of college administration and Government agencies created due to paper work. It will also make it easy for the users to receive services by saving time and effort as their documents will now be available anytime, anywhere and can be shared electronically. Keywords: Databases, Programming
